Earth Cloud Study to Follow Moon Success

By VERN HAUGLAND
AP Aviation Writer
WASHINGTON (AP) — Riding the crest of the smashing U.S. moon picture taking success, the National Aeronautics and Space Administration is ready to whirl the same kind of cameras around the earth to take close-up photographs of clouds.

The object of the launch, which may be conducted next week, is to better understand the weather. And the new satellite, Nimbus A, is designed to provide better than ever pictures of the cloud patterns which determine the weather.

Moe I. Schneebaum, Nimbus mission officer at NASA's Goddard Space Flight Center, Greenbelt, Md., says the satellite will carry advanced television cameras identical to those carried aboard Ranger 7 which took historic pictures of the moon last week. These cameras, he said, will provide about five times as much resolution or detail as the cameras on the earlier Tiro weather satellites.

The Nimbus craft also will provide for the first time:

Many Won't Attend Demo Convention

LITTLE ROCK (AP)—A number of Arkansas delegates to the Democratic National Convention, including Gov. Orval E. Faubus, may not attend the convention, the Arkansas Democrat reported Sunday.

The Democrat also said there is a chance that the delegation may nominate a favorite son candidate instead of supporting President Johnson.

The story said the reason several may bypass the convention is because it is obvious that Johnson will get the nomination, and delegates don't want to be on record as voting for him because of his stand on civil rights.

Faubus told a friend that even if he voted against a strong civil rights platform, the fact that he attended the convention which approved such a platform would still be against him, the Democrat said.

Some Funds for Foreign Aid Unused

By LEWIS GULICK
WASHINGTON (AP) — Foreign aid officials said today a record low backlog of unused aid funds is being carried into overseas assistance operations for the coming year.

The revised figures are a matter of some pride with the Agency for International Development which has passed them on to the Senate in advance of final action on the foreign aid bill.

One argument of congressional critics has been that the aid program has been too fat with a big backlog of money from previous appropriations. AID chief David E. Bell, a former budget director, has pledged improved efficiency.

Last year, according to revised figures, the aid program had \$650 million from past appropriations in addition to the \$3 billion in new money voted by Congress. In some years more than \$1 billion has been available beyond the amount supplied from fresh appropriations.

New estimates being submitted to the Senate Foreign Relations Committee showed today that only \$22 million remains uncommitted from previous appropriations and \$213 million is expected to be recovered during the year from commitments to past projects which were not carried out.

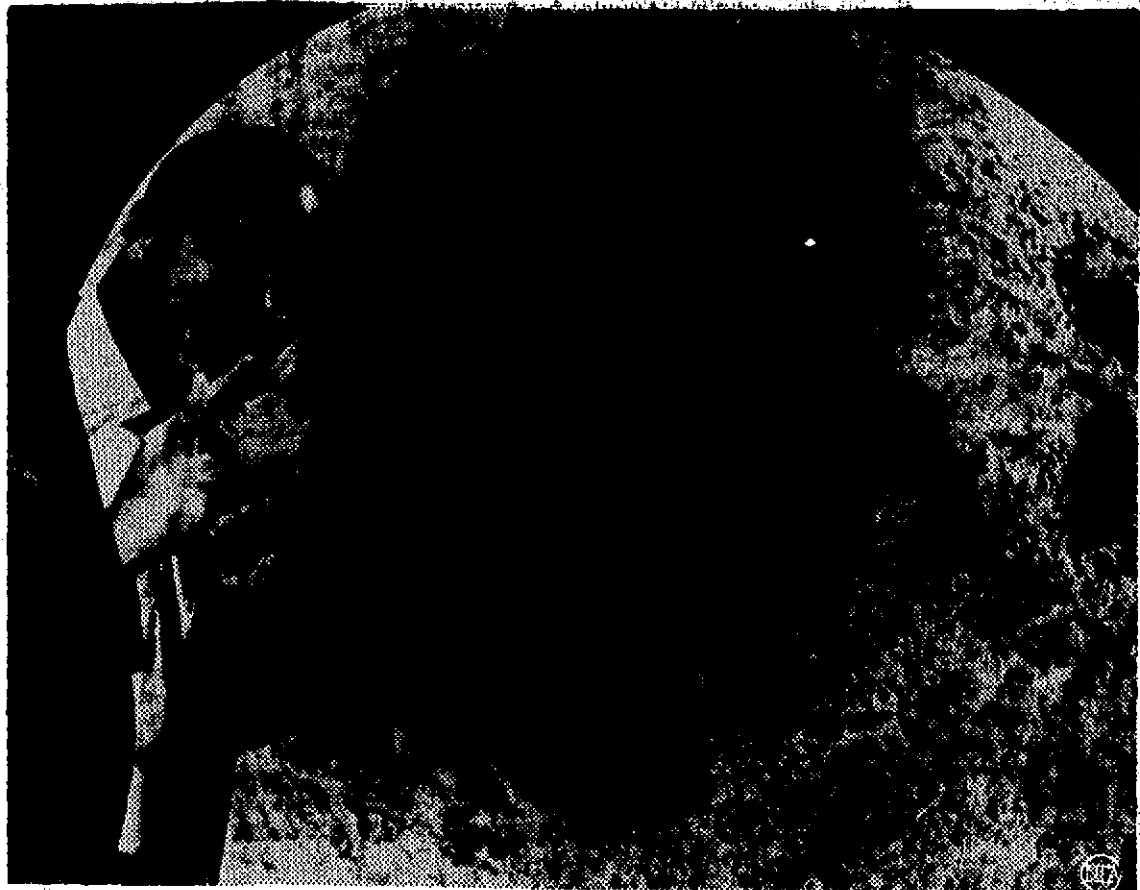

Thus about \$235 million would be available for foreign aid in the new fiscal year in addition to whatever Congress approves out of President Johnson's "barebones" request for \$3.5 billion in new funds.

Both the \$22 million in carry-over and the \$213 million in recoveries set new lows, according to AID accounts.

POINTS OUT AREA — H. M. Schurmeir, Ranger 7 Project manager for the Jet Propulsion Lab in Pasadena, Calif., makes a happy "okay" sign as he points out the area in the Sea of Clouds where Ranger 7 collided with the moon. Jubilant space agency officials said first indications are that Ranger 7's closeup pictures of the moon were of excellent quality.

Big Gospel Songfest Planned Here

August 15 is the day for one of the biggest and greatest gospel songfests ever to be held in Hope City Hall.

Sheaves for Christ is a youth sponsored organization of the United Pentecostal Church. It is composed of Ministers and Missionaries preaching the gospel throughout the world. The money from this songfest will be used to finance this missionary program.

Some of the groups that will appear on this program are the best that gospel singing has to offer. Featured are such groups as the Murrells from Fordyce, also the Milners from Crossett, a quartet group and a trio from Winsboro, La. will be featured. Rounding off this exciting evening of Gospel fare will be the Gospelaires from Hope.

All of the groups use instruments such as guitars, accordians, bass violins, and pianos.

So make your plans to attend one of the biggest treats to be offered in Hope. Tickets are now on sale for a \$1 for adults and 50 cents for children.

Mrs. Erba Burns, 59, Dies Saturday at Booneville

Mrs. Erba Burns, 59, died Saturday at a Booneville, Ark. hospital. Survivors include her husband, Harry Burns; a son, Millard of Bonner Springs, Kan.; her mother, Mrs. Pearl Shepard of Hope and a sister.

Services were held at 2 p.m. Sunday at Central Church of Christ by M.H. Peebles. Burial by Herndon-Cornelius was in Central Cemetery.

Cost Columbus Some \$7,000 to Discover America — Was It a Very Good Investment?

By HAL BOYLE
NEW YORK (AP) — Things a columnist might never know if he didn't open his mail:

It cost Columbus \$7,000 to discover America. The big question now is—was it a good investment?

A century ago anybody over 50 was considered old. But most of today's oldsters don't feel old. A Harvard study of 200 people over 65 found that only 21 per cent of the men and 20 per cent of the women thought of themselves as elderly.

It has been estimated that 64 per cent of the world's great achievements were accomplished by people over 60 years of age.

A quarter of a century ago it cost passengers \$200 for \$10,000 insurance — one way — for the first transatlantic flight aboard Pan American's pioneering Dixie Clipper. Today for \$12 you can get a \$300,000 policy, round trip.

If you used as much water as the average plant does, in proportion to your weight, you'd have to drink 60 quarts a day.

To get rich all you need is to discover a way to profitably mine the mineral wealth in the sea. The oceans of the world contain some six million tons of gold.

Quotable notables: "Self-pity is our worst enemy, and if we

Methodists Plan Demonstration

On August 17, 18, and 19 from 9 until 11 a.m. each morning, Mrs. Roy Bagley wife of the District Superintendent, will conduct a demonstration class for all parents of pre-school children in the local Methodist Church.

The children who will be used in the demonstration are those in Nursery One, where Miss Evelyn Briant is the teacher. Mrs. Bagley is a specialist in Nursery work having served for years as a certified teacher of Nursery work in the Little Rock Conference, and the local Methodist Church is indeed fortunate to have available the services of such a well qualified leader.

Mrs. Bagley will use the curriculum material which is to be used for the first time in all Methodist Churches throughout the United States beginning in September of this year.

C. A. Garner, 60, of Okay, Dies

Charlie A. Garner, 60, of Okay, died Sunday in a Texarkana hospital. He was a lifelong resident of Howard County and employed by Ideal Cement Co., of Okay for 26 years. He was a member of the Mineral Spring Eastern Star and Masonic Lodge No. 522. He was a member of the Church of Christ.

Survivors include his wife, Mrs. Elsie Norsworthy Garner of Okay, a son, Charles Wayne Garner of Albuquerque, N.M.; three brothers, Clarence and Dwight of Nashville and Bernice Garner of Smackover and a sister, Mrs. Jimmie Crocker of Nashville.

Funeral services will be at 2:30 p.m. Tuesday at Latimer Funeral Home at Nashville by M. H. Peebles and Harvey Arnold. Burial will be in Nashville Cemetery.

yield to it we can never do anything wise in the world"—Helen Keller.

It would take the light of 80,000 large fireflies to equal the heat given off by one small candle.

In Australia, when you order fish and chips, the chances are you'll get shark meat. Sharks are quite a delicacy in the land Down Under.

Ancient Jerusalem has become one of the most polyglot cities on earth. Inhabitants from 70 different nations now live in its new section.

Joke of the week: Catholic Digest magazine tells of the proud father who congratulated his son on his 13th birthday and asked him how it felt to be a teen-ager. "It's all right, I guess," the boy replied, "except for the reputation."

Norwegians are the world's champion cheese consumers. They eat nearly 20 pounds a year each.

Folklore: If a girl sits on a table, she won't find a husband within the year. If a young lady hangs a cabbage stump over her door on Halloween, she'll wed the first man who enters.

It was Thomas Carlyle who observed, "The courage we desire and prize is not the courage to die decently but to live manfully."

Faubus dedicated the \$1.5 million Divco-Wayne Mobile Home manufacturing plant, which was rebuilt after the original plant was destroyed by fire last November.

He welcomed the new industry as one that would help both Arkansas and Texas, adding that it was difficult for any state to progress with poor neighbors.

Faubus said industrial growth and progress have been the cornerstone of his administration, invited Divco-Wayne officials to inspect Arkansas as an industrial site.

Father, Son Drowned at Dardanelle

By THE ASSOCIATED PRESS

A father and son from Logan County drowned Sunday when their boat was slammed into the Dardanelle Dam on the Arkansas River.

Nine Arkansans were killed accidentally during the period from 6 p.m. Friday until midnight Sunday, an Associated Press count shows.

Six died in traffic accidents and three drowned.

Authorities identified the Dardanelle Dam victims as Calway Ensey, 50, and Damon Ray Ensey, 24, both of Waveland. They said the two approached the dam, and turned off the motor, apparently intending to tie up. The current slammed the boat against the dam, throwing the elder Ensey out.

Witnesses said the son was about to jump in to try to rescue his father when the boat slammed into the dam again, sinking the boat. Searchers had not recovered the bodies early today.

Balis Black, 68, of Mayflower and Ted Bawiec, 38, of near North Little Rock, were killed Saturday when a tractor-trailer hit their car as it pulled onto U.S. 65 about eight miles north of North Little Rock.

Bobby Parker, 24, of Little Rock drowned Saturday while swimming in Greers Ferry Reservoir. Witnesses said he apparently suffered cramps.

Clyde Warren, 58, of Camden died Saturday night when the gas transport truck he was driving ran off U.S. 82 and overturned about three miles west of Strong.

Curtis Flowers, 32, a Negro of Bradley, was killed at Bradley Saturday when his car overturned and hit a tree, throwing him from the vehicle.

Thomas E. Stringfellow, 16, of Fordyce was killed Saturday night at Kingsland when the car in which he was riding overturned. The driver was identified as Charles Peate of Fordyce.

Gary Wayne Nooner, 15, of Higden, died Saturday of injuries received Friday night when he lost control of his car on Arkansas 16 near Higden.

Faubus Dedicates Texarkana Plant

TEXARKANA, Tex. (AP) — Gov. Orval E. Faubus went to Texas Sunday to dedicate a new plant, and came up with a Texas-inspired formula for progress in his own state.

"I have often thought that if Arkansans had a little more Texas pride and a little less Arkansas humility the state would be able to progress much faster," he said.

Faubus dedicated the \$1.5 million Divco-Wayne Mobile Home manufacturing plant, which was rebuilt after the original plant was destroyed by fire last November.

He welcomed the new industry as one that would help both Arkansas and Texas, adding that it was difficult for any state to progress with poor neighbors.

Faubus said industrial growth and progress have been the cornerstone of his administration, invited Divco-Wayne officials to inspect Arkansas as an industrial site.

Negro Mobs Loot Stores in Jersey City

By CHARLES K. SERGIS

JERSEY CITY, N.J. (AP) — Helmeted policemen patrolled the glass-littered streets of Jersey City's Negro district today where a rioting mob of young Negroes attacked officers, broke windows and looted stores.

Police said 13 Negroes were arrested during Sunday night's outbreak — the first incident of this scale in this northern New Jersey city that faces Manhattan across the Hudson River.

Mayor Thomas J. Whelan, at the scene just south of the Lafayette housing project, said, "It seems to me to be an overflow from the occurrences in New York City and Rochester."

Police said 23 persons, including 10 police officers, were injured during the more than four hours of disturbances. A white woman, her son and daughter, were beaten and their car smashed while driving down Grand Street.

Much of the rioting was random missile-throwing with as many as 500 bystanders watching, by police estimate. But between 11 p.m. and 11:30 p.m. at least 200 Negroes formed in a group and moved down Grand Street.

A car with seven Negroes inside drove toward a force of police on the street, almost running down several officers.

The car's occupants, six adults and one 17-year-old girl, were removed at gunpoint. The girl was held as a juvenile delinquent and the adults were charged with disorderly conduct, police said.

On orders to disperse the crowd, police formed a wedge and advanced, firing shots in the air.

The crowd broke into small pockets and faded into doorways and down side streets.

At 10:45 p.m. John Hudak Jr., 22, his mother, Dorothy, 47, and sister, also Dorothy, 13, were set upon in their car by a group of Negro youths.

Hudak was admitted in satisfactory condition at Jersey City Medical Center. His face was cut severely. The mother and daughter were sent home.

This city of 280,000, second largest in New Jersey, has about a 17 per cent Negro population.

Harris to Skip Platform Work

LITTLE ROCK (AP) — Fred Pickens of Newport was named today to replace Rep. Oren Harris as Arkansas' representative on the Platform Committee of the Democratic National Convention.

Harris declined to serve on the committee.

Pickens, an attorney, was named to replace the congressman by Leon Catlett, state Democratic Party chairman.

Harris said Saturday that he had notified Catlett and Gov. Orval E. Faubus of his decision.

Catlett said Harris did not indicate that he would not be a delegation to the convention.

Harris said work had piled up because of a primary election campaign against Dean Murphy of Hope. Harris defeated Murphy.

Harris is chairman of the Committee on Interstate and Foreign Commerce and said most of the pressing business resulted from his duties in that post.

Woody Parsons, 47, Dies Here Late Saturday

Charles Woodrow Parsons, 47, lifelong resident of Hope and employee of Southwestern Bell Telephone Co., died at his home Saturday night. He was a member of Garrett Memorial Church and a Mason.

Survivors include his wife, Mrs. Syble Parsons, two daughters, Mrs. Pamela Flowers of Hope and Linda Parsons of the home, a brother, Dean Parsons of Texarkana; a sister, Mrs. O. A. Kinder of Hooks, Texas and his mother, Mrs. Willie Parsons of Hooks.

Funeral services will be held at 4 p.m. Monday at Garrett Memorial Baptist Church by the Rev. Clyde Johnson. Burial by Herndon-Cornelius will be in Memory Gardens. Masons will have charge of the graveside service.

Attacking PT Boats Disabled by Gunfire From American Ships

VFW Carries Melons to Ft. Root Vets

Veterans of Foreign Wars yesterday made their 14th Annual trip to Fort Roots Hospital Little Rock, where they served free watermelon to patients.

The local group took some 650 melons or nearly 14,000 pounds. The melons were secured from John Lloyd.

On Tuesday night at 8 o'clock VFW members will meet with wrestling promoter Oni Wiki Wiki to discuss the possibility of reviving wrestling matches in Hope. All members are urged to be present.

Thursday night the Post will entertain the VFW-sponsored baseball team of the Little League with a hamburger supper starting at 7:30 p.m. Mothers of the players are invited to be present.

Capitol Club Elects New President

LITTLE ROCK (AP) — Members of the Capitol Club, the organization which now operates the state Capitol cafeteria, elected Clarence Thornbrough as president at the first membership meeting today.

About 60 persons, all state employees, attended the meeting.

Thornbrough is executive secretary to Gov. Orval E. Faubus and he has been acting president of the club since it was organized about two weeks ago.

D. D. Glover, chief deputy secretary of state, was elected vice president, Jenny Chessir of the Land Department secretary, and R. D. Mack, deputy state treasurer, was elected treasurer.

The club installed an opaque door at the cafeteria entrance Friday and posted a guard to check membership cards. Until that time, members and non-members had been permitted to enter without challenge.

Two white tourists were turned away today because they did not have cards. Membership costs \$1.

The club was organized to keep the cafeteria from being segregated.

Thornbrough said membership cards had been mailed to state legislators. He said they were asked to remit \$1 at their convenience.

The fee, he said, will be used to pay the salary of the guard.

N. Viet Nam Blamed, U. S. Will Fire Back

By LEWIS GULICK

WASHINGTON (AP) — President Johnson has ordered U.S. naval forces beefed up in the Tonkin Gulf area, off Viet Nam, and has ordered them to destroy any force that attacks them.

Johnson summoned reporters to his office to tell them of the orders.

He said the orders were issued Sunday in the aftermath of the assault on the U.S. destroyer Maddox by three North Vietnamese patrol torpedo boats.

Johnson said the commanders of combat aircraft and destroyers in the area where Sunday's attack occurred—in international waters—have been told "to attack any force which attacks them in international water and to attack them not only with the objective of driving off the attack force but of destroying them."

With emphasis in his tone the president said that these orders "will be carried out."

As the commander-in-chief, Continued on Page Two

Charges U.S. Planes Hit N. Viet Nam

By JOHN RODERICK

TOKYO (AP) — Communist North Viet Nam has charged that four U.S. fighter-bomber planes from Laos bombed and rocketed a North Vietnamese border post and village. The Reds said the attack was unprovoked and blamed it on the United States.

U.S. officials in Washington said they knew of no evidence to support the charge, the second in as many days made by the North Vietnamese against the United States.

"This constitutes a provocative act on the part of the U.S. government and its henchmen which crudely violates the sovereignty and territory of the democratic Republic of (North) Viet Nam," The North Vietnamese foreign ministry said in a protest statement broadcast Sunday.

The United States has supplied the Laotian government of Premier Souvanna Phouma with propeller-driven T28 fighter-bombers which Laotian pilots fly against the Communist Pathet Lao. Unarmed U.S. Navy jets have also been flying reconnaissance missions in central Laos at Souvanna Phouma's request, and armed American fighters escort them.

The Vietnamese protest did not describe the planes, saying only that they were U.S. fighter-bombers. But it said Prince Souvanna's neutralist faction in Laos "must bear heavy responsibility for permitting the United States to use its territory to attack North Viet Nam."

The broadcast said that the raid took place at noon Saturday in a North Viet Nam area about 50 miles northeast of the Communist-held Plaine Des Jarres in Laos.

The Vietnamese said that one villager was wounded and property damage was heavy.

On Saturday North Viet Nam accused U.S. and South Vietnamese warships of an attack on North Vietnamese islands last Thursday.

Communist China meanwhile expressed support for the Soviet Union's renewed proposal for an immediate 14-nation conference on Laos. The Chinese, in a note to Moscow, also said they opposed the Soviet threat to stop being co-chairman of the 1962 Geneva agreement which sought to neutralize Laos.

In South Viet Nam, seven U.S. soldiers were injured and two Vietnamese killed when a bomb shattered a bar in Saigon Saturday night. Two of the Americans were reported in critical condition. Police arrested five Vietnamese.

N. Viet Nam

Continued From Page One.

Johnson issued a whole series of instructions to the Navy: 1. To continue the patrols in the Gulf of Tonkin off the coast of North Viet Nam. 2. To double the force by adding an additional destroyer to the one already on patrol. 3. To provide a combat air patrol over the destroyers. 4. To issue the orders to drive off and destroy any force which attacks the U.S. force. According to the Navy, the Maddox was on patrol in international waters about 30 miles off the North Vietnamese coast when three unmarked PT boats opened fire with torpedoes and 37-millimeter cannon. The Maddox promptly counterattacked with its own guns and called in four jets from the aircraft carrier Ticonderoga. The Americans went unscathed but the destroyer and planes left one PT boat reported badly damaged and disabled in the water, the other two crippled and retreating slowly. First word of the naval action reached Washington about 5 a.m. Washington time and President Johnson conferred with top advisers during the day as further news came in. Secretary of State Dean Rusk said: "The other side got a sting out of this. If they do it again, they'll get another sting." Furthermore, he said, the United States will continue to "insist upon using international waters."

Administration sources said the PT boat action did not seem to be part of a new large scale assault from the North nor does Washington intend at this time to carry the war to the North. The same sources said the attempt against the Maddox will not deter the United States from

PROPOSED CONSTITUTIONAL Amendment No. 53

That the following is hereby proposed as an amendment to the Constitution of the State of Arkansas, and upon being submitted to the electors of the State for approval or rejection at the next general election for Representatives and Senators, if a majority of the electors voting thereon, at such an election, adopt such amendment, the same shall become a part of the Constitution of the State of Arkansas, to-wit: "SECTION 1. The first unnumbered paragraph of Section 4 of Article 12 of the Constitution is hereby amended to read as follows: 'No municipal corporation shall be authorized to pass any laws contrary to the general laws of the State; and, except as otherwise specifically authorized by amendments to the Constitution, no municipal corporation shall be authorized to levy any tax on real or personal property to a greater extent, in one year, than one per cent of the assessed value of the same.' "SECTION 2. Section 9 of Article 16 of the Constitution is hereby amended to read as follows: 'Except as otherwise specifically authorized by amendments to the Constitution, no county shall levy any tax on real or personal property to a greater extent, in one year, than one per cent of the assessed value of the same; provided however, that not less than three-eighths of the amount of any such tax shall, as specified by the county tax levying authority, be used exclusively for the construction, reconstruction and maintenance of roads and bridges in the County Highway System.' "SECTION 3. Amendments No. 3, 22 and 27 to the Constitution are hereby repealed." "SECTION 4. The provisions of this amendment shall take effect and be in full force on and after November 4, 1964." Filed March 19, 1963. KELLY BRYANT, Secretary of State

The General Assembly shall have the power to provide by general laws for the establishment and operation: (a) of industrial districts for the purpose of securing and developing industry, and (b) of hospital districts for the purpose of acquiring, constructing, reconstructing or extending hospitals. The land boundaries of the respective said districts shall be fixed in the manner provided by the General Assembly. "SECTION 2. The said districts shall have such powers pertaining to the respective purposes aforesaid and may exercise the same in such manner as shall be provided by the General Assembly, including without limitation power to issue bonds and to levy taxes upon the taxable real and personal property in said districts, upon approval thereof by a majority of the qualified electors of said district voting thereon at an election called for such purpose. Provided, however, there shall never be levied a tax on the taxable real and personal property: (a) of any industrial district which, together with any tax levied under the provisions of Amendment No. 49 to the Constitution, shall exceed five (5) mills on the dollar of the assessed valuation thereof; or (b) of any hospital district, which, together with any tax levied under the provisions of Amendment No. 17 to the Constitution, shall exceed five (5) mills on the dollar of the assessed valuation thereof, except that, the full said five (5) mills being levied under Amendment No. 17, the said hospital district may levy an additional tax of not to exceed one (1) mill on the dollar of the assessed valuation of the taxable real and personal property in said hospital district. Provided further, that the total taxes levied under this Amendment and under Amendment No. 49 to the Constitution on the taxable real and personal property in an industrial district shall never exceed five (5) mills on the dollar of the assessed valuation thereof, and the total taxes levied under this Amendment and under Amendment No. 17 to the Constitution on the taxable real and personal property in any hospital district shall never exceed six (6) mills on the dollar of the assessed valuation thereof. "SECTION 3. To such extent and in such manner as the General Assembly may provide, taxes collected under Amendment No. 32 to the Constitution on the taxable real and personal property in any hospital district shall be used for maintaining, operating and supporting district hospitals. "SECTION 4. The provisions here of shall be construed as supplemental to all constitutional provisions and legislative acts relating to the subject matters of this Amendment. Filed March 18, 1963. KELLY BRYANT, Secretary of State

Earth Cloud

Continued From Page One

1. peculiarly developed high resolution infra red radiometers to take experimental night time pictures of clouds. Tiros takes pictures only in daylight. 2. Cameras pointing earthward at all times. Cameras on Tiros are trained on the earth only part of each orbit. 3. A near-polar orbit, 80 degrees to the equator, to provide virtually complete global photographic coverage every day. Tiros satellites in near equatorial orbits provide only partial earth coverage. Nimbus A has been assembled by the General Electric Missile and Space Department, Valley Forge, Pa. Launching from Vandenberg Air Force Base, Calif., may be as early as Aug. 11. Nimbus has been four years in development and launching is more than two years behind schedule. Estimates of the cost of the program run up to \$140 million. The Weather Bureau has rejected proposals that it use Nimbus partly, because of the delays and cost, and chose instead to develop a modified wheel version of Tiros called "Toss." But Schneebaum said he is confident Nimbus will prove superior to Tiros that the Weather Bureau would take another look at it.

Congress to Quickly Pass Pay Raises

By STANLEY MEISLER

WASHINGTON (AP) — A bill which would speed pay raises to every member of the armed services except draftees and lowest-ranking enlisted men is expected to win final congressional approval today. Little debate is expected as the House takes up the bill. House passage would complete congressional action on the measure and whittle it to the White House. President Johnson is prepared to sign it quickly so the \$207-million pay raise can begin Sept. 1. For most servicemen and servicewomen, the pay raise would be the second in a year. Congress enacted a \$1.2-billion raise last year, putting it into effect Oct. 1. All controversy on the bill evaporated when Rep. Carl Vinson, D-Ga., chairman of the House Armed Services Committee, decided to call it up under a

Two Amendments Are Supported

LITTLE ROCK (AP) — The Arkansas Youth Leadership Council threw its support behind two proposed constitutional amendments Saturday.

But the council did not take action on a proposed amendment to legalize casino gambling in Garland Co. or the constitutional amendment to change the state flag. Under this procedure, the bill may not be amended. By bringing it up this way, Vinson assured that the bill, which is identical to the one passed by the Senate, can go directly to the White House without entangling it in a compromise conference between the two bodies. During Armed Services Committee deliberations, Rep. Richard S. Schweiker, R-Pa., tried without success to amend the bill so it included pay increases for the draftees and lowest-ranking enlisted men as well as the others. This was defeated by a 21-9 vote. The bill would provide these increases: 1. A 2.5 per cent increase for all officers and enlisted men with more than two years of service. 2. An 8.5 per cent increase for all officers with less than two years of service.

U.S. Making a Formal Protest

WASHINGTON (AP) — The United States is making a formal protest to the Communist North Viet Nam government over an unprovoked attack on the U.S. Navy destroyer Maddox in international waters, the State Department said today.

The attack is viewed as a serious incident, State Department press officer Robert J. McCloskey said. McCloskey said the means of delivering the American protest and the channel to be used are still under consideration. However, authoritative sources said the three-nation International Control Commission, headed by India and including Poland and Canada will be the means of conveying the protest to Hanoi. A junior college enabling act. Amendments receiving the group's support would set up a permanent free voter registration system; would allow sections of counties to join to pass bonds for industry; would provide five more mills for the general revenues of cities and eliminate the three-mill road tax would raise the salary limit of state constitutional officers and would get maximum salaries for county officers based on county population. Milas Hale of Little Rock was elected president of the group and Bob Faulkner of Malvern and Liz Clinton of Hot Springs were named vice presidents.

El Dorado Union Vote Set Tonight

EL DORADO, Ark. (AP) — Members of Local 5-434 of the Oil, Chemical and Atomic Workers Union vote tonight on whether to accept a new contract with the El Dorado refinery of the American Oil Co.

Representatives of the union and the refinery reached agreement on the new contract Saturday.

The old contract expired June 30. The new contract is retroactive to July 1 and will be in effect for two years. It provides for bargaining on general wages Aug. 1, 1965.

The new contract calls for a two per cent wage increase across the board, effective Aug. 1, 1964; initiation of a severance pay arrangement, and an adjustment in holidays.

Shorty

A Short Short Story

© 1964 by NEA, Inc.

BUDDING LOVE

By Ruth Engelen

Twenty years in the public library's Periodical Room had made plain-faced Esther Betts a romantic philosopher and often prompted her to repeat amorous maxims such as: "All the world loves a lover," "Love is blind," and "Love makes the world go round."

Though she had had little firsthand experience with love, she had had myriad vicarious encounters from her chair behind the reference desk. She enjoyed identifying with the modish matron whose ankle was being ogled by the moustached man with the slick paper magazine or with the hair-teased freshman in crazy slacks who was getting stares from the thin-necked sophomore with the too-big Adams apple.

Chester Morrow's romance particularly touched her. Before she had seen his name on a call slip, she had nicknamed him "M. Chips," because his quaintness reminded her of the lonely, lovable Hilsonian schoolmaster.

Every morning at 9:27 Chester would shuffle to the table on the right, set a brown sack on the plasticized top, and unwind the black muffer that protected his neck from the frayed wool of his overcoat collar. After he removed his shapless hat, he would smooth the few white hairs atop his high forehead, take a pencil from his shirt pocket, and a sheet of paper from his sack, and begin his day's work.

Comina and Going

Mrs. T. C. Lawrence of Prescott, will leave Shreveport by jet Monday for New York; she will land at Newark air port where she will transfer by helicopter to Kennedy Field, where she will leave from her Frankfurt, Germany where she will be taking a 3 weeks vacation and will be visiting her daughter, Mrs. James Lany and a nephew, Sgt. Doyle Lucas and family.

Mr. and Mrs. Arthur Wimmell and Mr. Wimmell's sister, Mrs. Isabel Flinn, of Portland, Ore. left Monday for New York City and Haddonfield, N.J. They met Mrs. Flinn's daughter, Nancy, Saturday when she arrived home from Europe after a year's study at the University of Stockholm. The Wimmells will visit their grandchildren in New Jersey and Mr. Wimmell will fly home August 5 while Mrs. Wimmell remains for a longer visit. They all toured the World's Fair and other points of interest.

Miss Kathleen Broach left Friday by plane from Little Rock for Asheville, N.C. and will spend this week at Lake Junaluska, N.C. at the Methodist Assembly, attending a Laboratory School on children's work.

Highest Award

FORT BUCKNER, Okinawa (AP)—Lt. Gen. Paul W. Caraway, a native of Jonesboro, Ark. was awarded the Army's highest peacetime award, the Distinguished Service Medal, on his retirement here Saturday. Caraway is the son of the late T. H. and Hattie Caraway, both of whom served as U.S. Senators from Arkansas. He had 35 years military service.

"I planned to plunge into politics this year but I still haven't caught up with my ironing!"

"DEAR ABBY"

BE PREPARED!

By Abigail Van Buren

Dear Abby: I am sick and tired of having my parents on my back all the time. I would like to know when I can leave home.

Dear Had It: Moreover, your parents have probably "had it," too. If you are able to pay for your own lodging, food, transportation, doctor and dental bills, insurance and entertainment, and bail yourself out of trouble of any kind—then you may leave home. (But take a key to the back door when you go.)

Dear Abby: My problem is between my husband and me over a dog we don't even have yet. We've been married for two years and we have no children. We both work five days a week. I leave for work at 7 a.m. and he leaves at 7:30. We both get back about 4:30 p.m. All of a sudden my husband decides he wants a puppy. I say he's crazy. Who is going to take care of it? Believe me, I am not going to. Our furniture is brand new and I've seen what a puppy can do to things. Besides, it will tie us down, and we like to go away for week-ends occasionally. He says, "We'll manage." Can you help me?

MRS. K.A.

Dear Mrs. K. A.: You seem to have all the answers, and they sound pretty sensible to me. Personally, I pity the poor pooch that's brought into a home where he is unwanted by half the household, and left alone all day. (Who will feed him and walk him?) Don't give an inch. If your husband wins this one, it shouldn't happen to a dog.

Dear Abby: What do you think of parents who tell their children that ours are adopted? We had not intended to tell our son that he was adopted until he was ten years old, and able to understand, but the parents of other children have told their children, and of course, they went ahead and told ours. These people are relatives or we would never speak to them again. Please print this so other parents won't be hurt the way we were.

CRUSHED

Dear Crushed: I am not defending the parents who thoughtlessly told their children that they were adopted. But adopted children should be told that they are adopted as soon as the are able to understand what the word means. (Ten is too late.)

Dear Abby: What is the proper way to address a wedding invitation to a man and woman who are living together but are not married? Each is using his own last name.

GETTING MARRIED

Dear Getting: Anyone so disdainful of holy matrimony could hardly be a wedding fan. But if you must invite them, send each mouth that said "Hot Diggetty," and they both laughed.

Toward late afternoon when the hearts were almost gone, Esther noticed a heavy-set stranger with a gray braided knot sitting at a table opposite Chester and Mabel. She was wearing a black velvet hat with a crushed rose, a gold wedding band, and a scowl.

Chester saw her, too, and became silent as he concentrated on his pencil and paper.

Mabel never came again, but Chester and his wife came daily. Still watching the little amours around her, Esther Betts continues to repeat maxims.

She's been quoting a new one a lot lately: "You can't tell a book by its cover."

(The End)

Suit Filed to Void NLR Election

LITTLE ROCK (AP) — A suit was filed in Pulaski Circuit Court there Saturday asking that Democratic Primary election for Pulaski County Representative voided and a new election held.

The suit was filed by John L. Webb of North Little Rock who was defeated in the primary by Glenn F. Walther of Little Rock. It was filed against the Pulaski County Democratic Central Committee.

Webb, who list to Walther by about 3,000 votes for the Position No. 1 representative's post, based his action on a North Little Rock election mix-up in which aldermanic candidates were listed only on ballots in the wards they would represent.

A state law requires city-wide voting on aldermanic candidates in cities of more than 40,000 population.

Webb contended voting was held up from one to three hours during the primary and said a number of persons did not vote when they heard of the mix-up.

Webb said Sunday he may file an amendment to the suit asking that primary candidates be forbidden to withdraw from the second primary.

The committee said after the mix-up that all alderman candidates could run in the second primary Aug. 11. When one of the candidates said he wanted his \$400 filing fee refunded, the committee said any candidate could withdraw by putting the request in writing by noon today.

Webb said two years ago Milton Willis of Crawford County was not allowed to withdraw after the first primary election, in which he was defeated by secretary of State Kelly Bryant.

Pony Express to Petit Jean

HEBER SPRINGS, Ark. (AP) — A pony express rider is expected to arrive at Winthrop Rockefeller's Petit Jean Mountain home near Morrilton today bearing an invitation for Rockefeller to attend the Old Soldiers Reunion here Thursday.

The invitation was carried over the weekend on horseback at a speed of about eight miles an hour. The pony express system was arranged by the American Legion, Veterans of Foreign Wars and World War I

Television and Radio

By CYNTHIA LOWRY
AP Television-Radio Writer

HOLLYWOOD (AP) — After a couple of years of frenzied but futile effort to duplicate the success of "The Beverly Hills Cop," the specialists who dream up formats for television series seem to have decided it can't be done. Next season, at least, the new comedy programs are getting as far away as possible from thigh-slapping, country-style humor.

Within this new area of well-tailored, sophisticated heroes and high-style comedy is ABC's forthcoming "Valentine's Day," which this recent set visit would classify as a direct descendant from "Burke's Law" and the almost forgotten "Tab Hunter Show," with Mack Sennett as a remote ancestor.

Our hero — Valentine — is a glossy young book editor who has a — hopefully — unending series of funny adventures through his contacts with authors of what somebody in publishing dubbed "non-books" — those written by famous or infamous personalities or their ghost-writers, or by any persons who are not professional writers. The works are always autobiographical, usually spicy.

"Valentine's Day," although right in the 1964-65 season groove, has several distinctions. It was the very last program to find a place in the upcoming schedules of the three networks, played by Tony Franciosa, a sensitive young performer who built a fine reputation in serious roles on Broadway and screen.

Red Skelton's first CBS show of the season will be taped in London — and at least part of it will spoof last season's tour of London with Elizabeth Taylor.

Television stars are usually presented with gifts of the sponsor's product, from cars to cases of toothpaste. Walter Brennan, however, has been loaned a private plane, complete with pilot, for the season by the happy manufacturer of

Scientists to Honor H Bomb 'Father'

FAYETTEVILLE, Ark. (AP) — The University of Arkansas and the Fayetteville Chamber of Commerce will honor Dr. Edward Teller, nuclear scientist and sometimes called the "father of the Hydrogen bomb" at a dinner Saturday night.

Teller recently has headed Operation Plowshare, which is aimed at developing peaceful uses of atomic energy.

In addition to university and civic leaders, the dinner will be attended by a group of scientists and businessmen who are traveling with Teller.

The group includes Dr. J.R. Maxfield, a Dallas physician and member of the advisory committee of the Southern Interstate Nuclear Board. He made the arrangements for Teller's visit here in connection with a new educational program Teller is pioneering in the field of applied nuclear science.

He is chairman of the newly-established Department of Applied Science at the Davis Campus of the University of California and at the Lawrence radiation Laboratory at Livermore, Calif.

Teller is traveling throughout the country to acquaint colleges and their faculties and students with the new program.

2 Arkansans Killed

PINEVILLE, Mo. (AP)—Two Arkansas men were killed Saturday when their car left a curve and overturned several times on U.S. 71, five miles south of here. The victims were identified as Murl J. Gabbard, 27, of Fayetteville, the driver, and John Richard Wallas, 23, of Waldo.

The craft, he is playing a big businessman in his new ABC series, "Tycoon."

Rockefeller has said he will accept the invitation.

Chihuahuas are an ancient, pure breed of dog from Mexico.

Now! False Teeth Fit Beautifully!

Amazing dental discovery, "Cushion Grip"—ends sore spots—refits loose dentures to hold snug as a dentist's mold! Tasteless! Nothing to mix! One application lasts months!

After years of research, modern science has developed a remarkable new way to make false teeth fit beautifully—stop looseness, slipping, clicking, relieve sore spots—without messy, old-fashioned pastes, powders and pads! It's Cushion Grip—amazing new soft, pliable plastic that holds false teeth snug as a dentist's mold, through soothing suction—makes loose dentures fit properly again. Result is, you can talk, laugh, eat anything without discomfort or embarrassment! Cushion Grip is easy to use—nothing to mix or measure! Simply squeeze

out of tube onto dentures, then insert false teeth into mouth and bite down. Instantly, Cushion Grip molds to contours of mouth and gums—provides beautiful fit—holds dentures firmly in place with suction. Loose, slipping, clicking, disappear. Sore spots are quickly relieved. One application lasts for months, despite highly cleaning, yet Cushion Grip is easily removed when desired. What's more, Cushion Grip actually refits, relines worn dentures, letting you save over \$100 on costly relining work. Get new Cushion Grip today. Satisfaction guaranteed or money back.

Strikeouts - Radatz, Boston, 134; Peters, Chicago, 130.

Sunday's Stars

PITCHING - Jim Bouton, Yankees, hurled his second straight shutout, a three-hit, 2-0 victory over Minnesota that kept New York American League lead at five percentage points over Baltimore.

BATTING - Duke Snider, Giants, stroked a tie-breaking single in the eighth inning, giving San Francisco a 2-1 victory over Pittsburgh that moved the Giants to within 1 1/2 games of National League, leading Philadelphia.

Davis Cup Coach Is Selected

SOUTH ORANGE, N.J. (AP) - Edwin Faulkner, coach of the Swarthmore College tennis team, has been selected as the coach for the U.S. Davis Cup team. Faulkner was coach of the 1924-25-26 teams when Bill

U. S. Swim Team to Be the Finest

By DEREK SCHOEN
Associated Press Sport Writer

LOS ALTOS, Hills, Calif. (AP) - Teen-age swimmers proved with record-shattering performances in the AAU will send its finest swimming team in history to the Olympics this fall.

The coaches, normally reserved, are looking forward in eager anticipation, after watching the youngsters in four days of outdoor competition at Foot-hill College.

"Terrific, just amazing," said U.S. men's Olympic Coach Dr. James Counsilman after watching America's corps break nine world records, 16 meet marks and 24 meet standards during the meet which ended Sunday.

Additionally, three official world marks were betted in events where lower times are pending.

Peter Daland of the University of Southern California, who'll coach the "women," expressed the one note of doubt during the meet.

"A lot of people are swimming awfully well awfully early," he said. "We may be in too far. I only hope we can hold tough until the Olympics in Tokyo."

The possibility that swimmers might be at an early peak, with the Olympic Trials in New York not until Aug. 29-Sept. 3, didn't worry Counsilman.

Standout performers in an outstanding field of competitors were Californians Don Schollander of Santa Clara and Sharon Stouder of City of Commerce.

Schollander, 18, won the meet's outstanding performer trophy by sweeping the 100, 200 and 400-meter freestyle events, setting world records in the 200 and 400 at 1:56.6 and 4:12.7.

Miss Stouder, only 15, also was a triple winner. She took 100-meter freestyle and the 100 besting the world's standard in the 200 with a 2:26.4.

Others who bettered recognized world marks were 16-year-old Dick Roth of Atherton, Calif., with 4:48.6 in the 400-meter individual medley, and Marilyn Ramenofsky, 17, of Phoenix, Ariz., with 4:41.7 in the pater freestyle.

Also besting existing world standards was the 400-meter women's freestyle relay team from the Santa Clara, Calif., Swim Club.

Each one of those record bids was in an Olympic event.

Australian Murray Rose cast a big shadow on American's hopes at Tokyo when he came back on the last day of competition to register a world record-breaking 17:01.8 in the 1,500-meter men's freyle.

This indicated that the Australian, who lost to Schollander in the shorter freestyle distances, will pose a major threat to the United States at the Olympics.

Donna de Varona, the 17-year-old Olympic veteran from Santa Clara, failed to better world mark but played havoc with the American and meet standards.

Altogether, she bettered American and meet records in the 200 d 400-meter individual medley and was on the Santa Clara team that bettered U.S. and meet marks in the 800 meters and 400 meters freestyle.

Tiny Patty Caretto provided the keynote for the swimming convention with two world records in one race as she trounced her elders in the 1,500.

Tilden, Bill Johnston, Vinnie Richards and Dick Williams comprised the U.S. squad.

Whites Hurl Stones at Picket Line

HICKSVILLE, N.Y. (AP) - Several white youths-part of a counter demonstration against a Congress of Racial Equality picket line of Negroes and whites-hurled rocks and other missiles at police Sunday night.

The trouble broke out after a group of young whites tried to break through a police line to get at Lincoln Lynch, Negro head of the Long Island chapter of CORE, police said.

Two white youths who police said had stones in their hands were arrested.

The clash occurred in front of the Vigilant Realty Co., which CORE has been picketing for six days in support of a demand that the company rent homes and apartments to Negroes on an "open occupancy" basis.

meter freestyle on Thursday.

The 13-year-old from the City of Commerce in Los Angeles County passed the 800-meter mark in 19:47.3 and then finished in 19:30.5. Both were world records although gals before had tried swimming only the 800 and hadn't done it as rapidly.

Legal Notice

TO: ALL WHOM IT MAY CONCERN AND Jimmy Wilder (Father or Guardian) Portia Ann Gray (Mother) OF: James Edward Gray

WARNING ORDER

Take notice that on the 24 day of March, 1964, a petition was filed by Al Graves, Deputy Prosecuting Attorney in the Juvenile Court of Hempstead County to have a certain(child) named James Edward Gray declared a dependent and neglected child to take from you the custody and guardianship of said child and to appoint for him some suitable person as his guardian or to place said child in some suitable institution or home in this state for the care and guardianship of dependent and delinquent children. Now unless you appear within twenty days after the date of this notice and show cause against such application, the petition shall be taken as confessed and the decree granted.

They'll Take All the Votes They Can Get

WASHINGTON (AP) - DeBurch, Republican national chairman, said today the party's position is that as long as the Ku Klux Klan is not in the business of overthrowing the government, "we're not in the business of discouraging votes."

Burch made the statement on the National Broadcasting Co.'s televised "Today" show when told that the head of the Georgia Ku Klux Klan has said he will support the GO Ppreidential nominee, Sen. Barry Goldwater.

The GOP chairman said he thought the KKK leader's position was a personal one.

Burch was asked how Goldwater can expect to get Negro votes if the Ku Klux Klan supports him. He said the Arizona senator will appeal to Negroes who look for better government and "get beyond the emotional issue" of his vote against the federal civil rights bill.

Burch questioned the use of the term "white backlash" as it applies to whites who may vote for Goldwater because they are against civil rights demonstrations.

Burch said "white backlash" is more than just a civil rights question. "It's the people who are sick to death of the type of government we now have and want to change it," he said.

U of A Gets Cash for Research

LITTLE ROCK (AP) - The University of Arkansas Graduate Institute of Technology has received three grants totaling \$130,000 to finance research on lasers and missiles for government agencies.

Dr. William B. Stiles, GIT director, said the three will bring the total of current grants to the institute to almost \$300,000.

The National Aeronautics and Space Administration awarded GIT a \$104,473 grant to finance studies on lasers. The other two grants are being financed by the Army Missile Command at Redstone Arsenal, Ala.

One is for \$14,719 for a year's study of sample data control techniques on anti-tank missiles; the other for \$10,503, to support investigations into inertia-guidance factors in missile navigation systems.

Dark Gambles and It Pays Off for Giants

By MIKE RATHET
Associated Press Sports Writer

San Francisco manager Al Dark went against one of baseball's cardinal commandments—Thou Shall Not Intentionally Put The Winning Run On Base—for the fourth time this season Sunday and remained undefeated as the Giants edged Pittsburgh, 2-1.

The situation came about in the bottom of the ninth after Duke Snider's tie-breaking single gave the Giants the lead in the eighth.

Bob Bailey singled for the Pirates with one out and moved to second on an infield out. Dark then waved in Billy O'Dell who replaced Ron Herbel on the mound. With Roberto Clemente up, Dark ordered O'Dell to issue an intentional walk and Clemente trotted to first with the potential winning run.

Jerry Lynch made Dark look like a genius by looking at a called third strike.

The victory moved the Giants back to within 1½ games of the National League leading Philadelphia Phillies, who ran afoul of Maury Wills. Wills stroked a double and single, stole two bases and started two double plays as the Dodgers belted the Phillies 6-1.

St. Louis kept third-place Cincinnati 4½ games off the pace by beating the Reds 5-4 despite a pair of two-run homers by Deron Johnson, the Chicago Cubs whipped Milwaukee 5-1 and Houston outslugged New York 9-7 in the opener of a doubleheader before the Mets won 4-2.

The New York Yankees clung to their slim American League lead by blanking Minnesota 2-0, Baltimore outlasted Kansas City 8-1, the Chicago White Sox took a pair from Washington 2-1 and 3-1, Cleveland swept Detroit 6-1 and 2-1 in 11 innings and the Los Angeles Angels edged Boston 1-1.

The Giants scored the clincher in the eighth against Bob Friend, 9-11, when Jose Pagan led off by beating out a hit behind Snider and short. Two outs later, Snider rapped his winning single.

Wills' two hits gave him eight in 13 trips to the plate against the Phillies in the first three games of the four-game set. Meanwhile, rookie Larry Miller pitched his first complete game for the Dodgers by allowing only seven hits.

The Dodgers snapped a 1-1 tie in the fourth when a single by Willie Davis, Ron Fairly's triple and a single by Nate Oliver produced two runs. Tommie Davis later homered for Los Angeles.

The Cardinals built a 4-0 lead in the third against starter Jim Maloney with Curt Flood hitting home, out Johnson connected with a man on in the fourth and eighth innings, both off Curt Simmons.

St. Louis then broke through for the winner in its half of the eighth on two walks, sandwiched around Julian Javier's double, and a sacrifice fly by Carl Warwick.

Ernie Broglio, 5-9, won his second straight for the Cubs and ended Chicago's five-game losing streak by keeping eight Milwaukee hits well scattered.

Joe Amalfitano triggered a two-run first for the Cubs with a leadoff double and singled home the final run in a two-run second inning. Billy Cowan homered for the Cubs.

The Colts logged 19 hits in

Junior Legion Downs Bryant in 14 Innings

George Jones shut the door in Bryant's face for 12 innings and Buddy Jordan kept it shut for 2 more as Hope's Jr. Legion Baseballers took the final game of the two-week long Area 6 Legion tourney by 9 to 1 in 14 innings.

While Jones and Jordan were silencing Bryant's big bats, their teammates pecked along at Bryant's pitchers for 8 hits in 13 innings, but could only muster 1 run. Bryant had scored also in the 7th on a single, a wild throw and a long fly ball, so the game was deadlocked at the end of regulation play.

Bryant, one of the gamiest teams to ever visit Hope, had not been held under 14 hits or 8 runs in six previous games in the tournament and owned 5 of the 6 home runs hit in the tourney. But with their bats quiet, their pitching also failed in the top of the 14th and Hope exploded for 8 big runs on three walks and 6 hits, three of them for extra bases.

Richard McDowell and Larry Thrash had 3 hits each for the locals. Jerry Burnett and George Jones had 2 each and Russell, Jordan, Wassell and Henley each had 1 single.

Jordan was the winning pitcher, coming in in the top of the 13th with the score 1 and 1. He struck out 3 in 2 innings. Jones struck out 15 in 12 innings and yielded only 2 singles.

Hope will play Ft. Smith, the host team, in the State Tournament at 1:00 p.m. on Wednesday.

Hope Plays Fort Smith in Tourney

FORT SMITH, Ark. (AP) — The Arkansas American Legion baseball tournament opens Wednesday at Hunt Field here. The winner will represent the state in the regional tournament at Memphis next week.

West Memphis and El Dorado open the meet at 9 a.m. Wednesday. Fort Smith Kerwin meets Hope at 1 p.m., Walnut Ridge faces Morrilton at 4 p.m. and Fort Smith Varsity plays Little Rock at 8 p.m.

Fort Smith Varsity is the only team that did not win an area tournament. It is entering as the host team.

Radio Station KFSA is broadcasting the tournament and offering broadcasts to stations in towns of the participating teams.

Two of the games will be televised locally. The double elimination tournament will end Sunday afternoon.

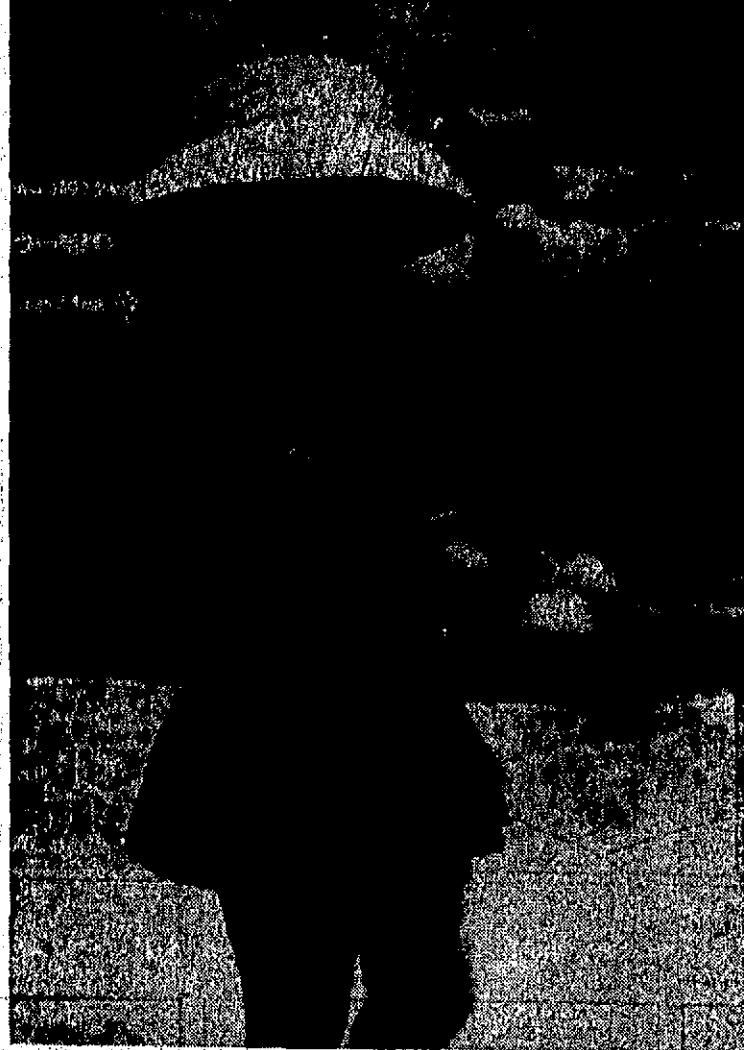

D. T. Hargraves of Helena, department commander, will present the trophy to the winning team.

the opener, winning it in the ninth when Joe Gaines and Walt Bond doubled for the tying run and Carroll Hardy followed with the clincher by hitting his first homer of the season.

Gaines collected four hits for the game and Bond, who also had a homer, and Hardy three each. But the key blows came too late for starter Dick Farrell, who left in the eighth after failing for the 11th time to win his 11th game.

The Mets came back to take the nightcap when Charlie Smith snapped a 2-2 tie in the seventh with a leadoff homer off Don Larsen.

St. John Picks Up First Prize

ROSEVILLE Mich. (AP) — Jim St. John, scoring heavily in match play, picked up his first victory of the 1964 Professional Bowlers Association tour Sunday in winning the \$27,500 Detroit Open.

The San Jose, Calif., pro took \$3,000 in first prize money by edging veteran Dick Gilt of St. Louis 9,153 to 9,063 in total pins.

Louis nipped Cincinnati 5-4; the Chicago Cubs beat Milwaukee 5-1 and the New York Mets downed Houston in the second of two after dropping the first 9-7.

Bouton, working in 94-degree heat, tossed his second straight shutout and ran his season record to 12-8. Jimmie Hall, who doubled in the seventh, was the only Twin to reach second base.

Hector Lopez drove in both Yankee runs with ground out and his eighth homer.

Doubles by Jackie Brandt and Norm Siebern in the eighth broke a 7-7 deadlock at Kansas City after the Athletics had tied the score with four runs in the fourth. The Orioles cracked 15 hits, including a three-run homer by Boog Powell, and the As-

ha, including solo homers by Berto Campaneris, Jim Gentile and Manny Jimenez and Ed Charles' two-run shot.

Jim Landis' two-run single in the sixth paced the White Sox' second game victory after bloop singles by Bill Skowron and Gerry McNertney drove in the first game run.

Joel Horien, Don Mossi and Ed Fisher checked the Senators on four hits in the opener. Mossi relieved again in the eighth inning of the nightcap and saved the victory for Ray Herbert. Don Lock hit his 19th homer for Washington in the first game.

Bob Rodgers singled home the Angels' deciding run in the ninth off Red Sox relief ace Dick Radatz, who was making his 55th appearance. Rodgers hit followed a walk to Jim Fregosi and a single by Joe Adcock. Fred Newman pitched the distance for the Angels, permitting five hits and improving his record to 9-4.

Yanks, Orioles Keep Pace in American Loop

By DICK COUCH
Associated Press Sports Writer

Sometimes you can't win even when you do. Ask Sam McDowell and Larry Brown, key figures in the Cleveland Indians' doubleheader sweep over Detroit Sunday.

McDowell pitched a brilliant four-hitter in the 6-1 opener, but got scolded by Manager Birdie Tebbetts and wound up in a Cleveland hospital. Brown broke up the 2-1, inning nitcap with a pinch hit that wasn't.

McDowell suffered stomach cramps before and during the first game but didn't tell Tebbetts. The 21-year-old southpaw appeared to tire in the late innings and the manager, assuming McDowell was not in top shape, told him so afterwards.

After McDowell entered the hospital for observation, Tebbetts was the sorriest fellow in Municipal Stadium.

nicipal Stadium

Tebbetts had company when Brown's base loaded hit in the 11th of the second game went into the record book as a force play.

Chico Salmon led off the inning by reaching base on Dick McAuliffe's error. One out later, Billy Moran's single and a walk to Tito Francona loaded the bases. Lui Tiant hit a looper to short right that dropped in. But Al Kaline's throw to second beat Francona, who had hesitated on the basepath.

Salmon scored the winning run on the weird play but Brown, who needs a few hits, didn't get one. The young infielder, hampered by a leg infection, is batting .223.

The league-leading New York Yankees blanked Minnesota 2-0 behind Jim Bouton's three-hitter and second place Baltimore shook off Kansas City 8-7 to stay five percentage points behind the Yanks. The Chicago White Sox won two from Washington 2-1 and 3-1, climbing to within one half game of the top, and the Los Angeles Angels defeated Boston 2-1.

San Francisco edged Pittsburgh 2-1; the Los Angeles Dodgers topped Philadelphia 6-1; St.
